LOGAN NOLL APPOINTED VICE PRESIDENT OF SALES

Winston-Salem, NC. (August 25, 2025) – Beverage-Air and Victory announce the appointment of **Logan Noll** as Vice President of Sales for Beverage-Air and Victory, effective September 1, 2025.

Since joining Beverage-Air and Victory in August 2022, Noll has played a pivotal role in driving sales growth and strengthening customer relationships. In December 2024, he was promoted to Director of Sales. Known for his responsiveness and dedication to client success, he has earned the trust and respect of both customers and colleagues.

In his new role, Noll will lead the company's sales strategy, manage the sales team, and spearhead initiatives aimed at expanding Beverage-Air and Victory's market presence. His leadership will continue to build on the company's commitment to delivering exceptional products and services to its customers.

"Noll's ability to connect with customers, lead with integrity and deliver consistent results has made a tremendous impact on Beverage-Air and Victory's business," said Korey Brownlee, President of Beverage-Air and Victory.

About Beverage-Air
Beverage-Air, a Welbilt company, is a leading domestic manufacturer of commercial refrigeration solutions, with a vast product offering including over 1,000 unique models across 31 product series and 11 product categories. Founded in 1944, Beverage-Air's factory is located in Brookville, Pennsylvania, with headquarters in Winston-Salem, North Carolina. Beverage-Air is committed to producing top-quality, high-performing equipment for the foodservice market.

About Victory
Victory, a Welbilt company, has been a leading manufacturer of commercial refrigeration products by utilizing a continuous product development process and steady stream of innovative designs. Headquartered in Winston-Salem, North Carolina, and manufactured in Brookville, Pennsylvania, Victory is specified and purchased for use in prisons, colleges, universities, hospitals, supermarkets, schools, and fine restaurants throughout the United States and around the world.
